

## London Marathon April 2017

Laura Page was selected from her local running club to take part in the London Marathon on behalf of the ED Society.

"I will be hoping to raise as much as I can for the Ectodermal Dysplasia Society. This will be my first (and most likely!) only marathon".

My brother, David Reynolds, passed away in 2001 and I ran to raise money for the ED Society, ED being the condition David suffered with. I committed totally to the training, most of which was in rain and cold (even snow) and then ran in the hottest marathon on record.

My efforts have raised £1683 through my Virgin Money Giving page and I am really proud of my achievement and my time – 6:22.07!
